We are excited to offer our **4th FREE dental event** for adults (18 yrs or older) who are unable to afford regular dental treatment. The event is **first come, first serve,** so arrive early and be prepared to wait outside of the office doors. **Dress appropriately!** We commit to seeing the first 40 patients. Participants will have a choice of a complimentary filling, extraction or hygiene visit.

We are so pleased to be able to give back to Guelph, the community that has been so wonderful to us!
